Certificate in Personal Data Protection Act

Prospectus

Certificate Course in Personal Data Protection Act (CPDPA) from Cyber Law College is a Course meant to provide an in-depth understanding of the Personal Data Protection Law as applicable in India. Cyber Law College is the pioneer in Cyber Law Education in India having started its Certificate Course in Cyber Laws in October 2000. Subsequently several other courses including Courses on HIPAA and GDPR are being offered as an online program. These courses are available through <https://www.apnacourse.com/allcourses/Law>.

This Course content is based on the draft Act presented in the Parliament and due for passage.

The changes that may occur in the law during the time before its passage would be covered by a free extended module to this course.

Who should take this Course?

This course is meant for any person who is dealing with "Personal Data" and includes professionals in IT and non IT companies, legal professionals and students of law in the final year of LLB course or after graduation.

How the Course is conducted:

This is an online course in which a series of lectures will be conducted online like a webinar. Students need to attend the webinar through internet either through computer or through mobile as and when the classes are held.

Reading material would be provided in the form of presentation copies, online articles and other supplementary material.

Course Contents:

1. Evolution of Privacy Law in India. (ITA 2000-ITA 2008- Puttaswamy Judgement.Etc.)
2. Understanding the Concept of Privacy and its relation with Data Protection
3. The Background of PDPA 2018
4. Applicability, Exemptions, Transitional Provisions
5. Data Principal's Rights and Data Protection Obligations
6. Grounds of Processing
7. Transfer of Personal data outside India
8. DPA and DPO
9. Compliance Obligations
10. Penalties and Offences
11. Grievance Redressal mechanism
12. DISHA 2018

Admission Procedure:

At the time of registration, prospective students have to make the payment of the Course fee along with the full particulars of the Student such as his/her Name, Address, and Qualification etc.

Course Fee: The course fee is RS 6000/-
